

Cylch Policy Review Cycle

All policies reviewed annually between October and February.

During the committee meeting each autumn term policies will be divided between committee members to review. Each person to review their policies and make a list of points to check with the Cylch Leader and actions.

Each person to then meet the Cylch leader, go through the policies and any questions and check relevant physical documents eg the accident book. Any agreed resulting actions to be added to the Cylch Action List.

Review dates to be recorded on the front page of the policy or in the footer and the latest review date to be edited in the table below. Each April the reviewed policies should be loaded on to the Cylch webpage.

Some policies should be discussed at every Committee Meeting:

- GDPR
- Child Protection
- Health and Safety

If a new policy is issued by Mudiad Meithrin this will be reviewed by a member of the Committee and the Cylch Leader within a month.
