CYLCH MEITHRIN Mynydd Llandegai

POLISI CAMDDEFNYDD ALCOHOL A CHYFFURIAU

Mae'r **Ddeddf Iechyd a Diogelwch yn y Gwaith 1974** yn gosod dyletswydd gyfreithiol ar gyflogwyr i sicrhau amgylchedd gwaith diogel i'w gweithwyr. Mae'r Cylch Meithrin yn ymrwymo i gynnal safonau iechyd, diogelwch a lles er budd holl weithwyr, gwirfoddolwyr, myfyrwyr ac ymwelwyr i'r lleoliad, yn ogystal â'r plant sydd o dan ei ofal.

Diben y polisi hwn yw cynyddu ymwybyddiaeth o effeithiau alcohol a chamddefnyddio cyffuriau a'r symptomau tebygol, ac i sicrhau bod:

- pob aelod o staff yn ymwybodol o'u cyfrifoldebau o ran camddefnydd alcohol a chyffuriau¹ a phroblemau cysylltiedig.
- staff sydd â phroblem sy'n gysylltiedig â chyffuriau neu alcohol yn cael eu hannog i geisio cymorth yn brydlon.
- staff, sydd â phroblem alcohol neu gyffuriau sy'n effeithio ar eu gwaith yn cael eu trin â chydymdeimlad ac yn deg.

Mae'r polisi yn berthnasol i holl staff, gwirfoddolwyr, myfyrwyr ar brofiad gwaith, ymwelwyr a hefyd i rieni, gofalwyr a gwarchodwyr y Cylch Meithrin.

Nod

Mae'r Cylch Meithrin yn gweithredu, o fewn terfynau rhesymol ac ymarferol, i sicrhau iechyd, diogelwch a lles y staff, y plant o dan ei ofal, myfyrwyr ar brofiad gwaith, gwirfoddolwyr ac ymwelwyr i'r lleoliad. Mae hyn yn cynnwys sicrhau bod pob aelod o staff yn medru cyflawni ei swydd yn ddiogel ac yn effeithiol mewn amgylchedd sydd yn rhydd o alcohol ac o gamddefnydd o gyffuriau, a sicrhau nad ydy'r plant yng ngofal oedolion sydd o dan ddylanwad alcohol neu sylweddau eraill gall effeithio ar eu gallu i ofalu am y plant.

Gweler y **Polisi Iechyd, Diogelwch a Lles** am fwy o fanylion.

¹ Defnyddir y term 'cyffur' i gyfeirio at bob math o gyffur a sylwedd, cyfreithlon neu anghyfreithlon, gall effeithio er gwaetha ar ymddygiad neu berfformiad ac / neu gall arwain at cynnydd yn y risg o ddamweiniau ac / neu anafiadau.

CYLCH MEITHRIN Mynydd Llandegai
DRUG AND ALCOHOL MISUSE POLICY

The **Health and Safety at Work Act 1974**, places a legal requirement on companies to provide a safe working environment for their employees. The Cylch Meithrin is committed to maintaining the highest standards of health, safety and welfare for the benefit of all staff, volunteers, students and visitors to the setting, in addition to the children under its care.

The aim of this policy is to increase awareness of the effects of alcohol and drug² misuse and the most likely symptoms, and to ensure that:

- all members of staff are aware of their responsibilities with regard to the misuse of alcohol and drugs and their associated problems.
- staff who have issues which are related to drugs or alcohol are encouraged to seek help promptly.
- staff who have issues with alcohol or drugs which affects their work are treated fairly and with compassion.

Aim

The Cylch Meithrin operates, within reasonable and practical limits, to ensure the health, safety and welfare of its staff, the children in its care, students on work experience, volunteers and visitors to the setting. This includes ensuring that all members of staff are able to fulfil their roles safely and effectively in an environment which is free from alcohol and the misuse of drugs, and ensuring that children are not left in the care of adults who may be under the influence of alcohol or other substances that may affect their ability to care for them.

See the **Health, Safety and Welfare Policy** for further information.

² The term 'drug' is used to refer to all drugs and substances, legal or illegal, which could adversely affect behaviour or performance and/or which can lead to an increased risk of accidents and/or injuries.

Egwyddorion

Mae'r Cylch Meithrin yn ymrwymo i ddarparu awyrgylch diogel i sicrhau diogelwch a lles y plant sydd yn ein gofal. Mae hyn yn cynnwys sicrhau nad ydy'r plant yng ngofal oedolion sydd o dan ddylanwad alcohol neu sylweddau eraill gall effeithio ar eu gallu i ofalu am y plant.

Ni fydd y Cylch Meithrin yn caniatáu staff i weithio yn y lleoliad os ydy'n amlwg eu bod nhw o dan ddylanwad alcohol neu gyffuriau, a / neu fod eu gallu i weithio wedi'i amharu mewn unrhyw ffordd fel canlyniad i'r defnydd o alcohol neu gyffuriau. Rhestrir arwyddion posib y gellid eu harsylwi arnynt yn Atodiad 1.

Ni fydd y Cylch Meithrin yn caniatáu i staff, gwirfoddolwyr a myfyrwyr ar brofiad gwaith weithio os ydynt yn ymwybodol eu bod yn meddu ar, neu yn cyflenwi alcohol neu gyffuriau anghyfreithlon yn y lleoliad gwaith. Fydd manylion unigolion sydd yn meddu ar neu yn cyflenwi sylweddau anghyfreithlon yn cael eu riportio i'r awdurdodau priodol.

Mae'r Cylch Meithrin yn cydnabod y gall rhai o'n staff ddod yn ddibynnol ar alcohol neu gyffuriau. Rydym yn cydnabod bod dibyniaeth yn wahanol i yfed neu ddefnydd achlysurol alcohol neu gyffuriau. Mae'r Cylch Meithrin hefyd yn cydnabod y gellir trin dibyniaeth o'r fath yn llwyddiannus. Rydym am hyrwyddo diwylliant sy'n deall ac yn cydymdeimlo â staff sydd â dibyniaeth ar alcohol a chyffuriau ac a'u hannog i ofyn am help a chefnogaeth.

Hawliau Plant

Mae'r polisi hwn yn rhan o sicrhau fod y Cylch Meithrin yn parchu hawliau plant sydd yng Nghonfensiwn y Cenhedloedd Unedig ar Hawliau Plant, yn benodol:

- Erthygl 6: Mae gan bob plentyn hawl i fyw. Dylai llywodraethau ofalu fod plant yn goroesi ac yn datblygu'n iach.
- Erthygl 27: Mae gan blant yr hawl i safon bywyd sy'n ddigon da i ymateb i'w hanghenion corfforol a meddyliol. Dylai'r Llywodraeth helpu rhieni na allant fforddio i ddarparu hyn.

Principles

The Cylch Meithrin is committed to providing a safe environment that ensures the welfare of the children in our care. This includes making sure that children are not left in the care of adults who may be under the influence of alcohol or other substances that may affect their ability to care for them.

The Cylch Meithrin will not allow staff who are clearly under the influence of alcohol or drugs, and/or whose ability to work has been impaired in any way as a result of alcohol or drug use, to work at the setting.

The Cylch Meithrin will not allow staff, volunteers, and students on work experience to work if they are known to be in possession of, or if they are supplying alcohol or illegal substances at the workplace. Any individual found to be in possession of, or supplying illegal substances will be reported to the relevant authorities.

The Cylch Meithrin recognises that some members of staff may become dependent on alcohol or drugs. We acknowledge that dependency is different from drinking or occasional use of alcohol or drugs. The Cylch Meithrin also recognises that such addiction can be successfully treated. We aim to promote a sympathetic and understanding culture towards staff who have an addiction to alcohol or drugs and to encourage them to seek help and support.

The Rights of the Child

This policy is part of ensuring that the Cylch Meithrin respects the rights of the child, as noted in the United Nations Convention on the Rights of the Child, specifically:

- Article 6: All children have the right of life. Governments should ensure that children survive and develop healthily.
- Article 27: Children have a right to a standard of living that is good enough to meet their physical and mental needs.

Cod Ymarfer

Alcohol a Chyffuriau yn y Gwaith

Mae camddefnydd alcohol a chyffuriau yn gallu arwain at lefelau is o bresenoldeb, effeithlonrwydd a pherfformiad yn gyffredinol. Lle bo'r aelod staff yn gyfrifol am wneud penderfyniadau a gofalu am blant, gall camddefnydd alcohol a chyffuriau gael effaith ar farn a chynyddu risgiau iechyd a diogelwch.

Gall camddefnydd alcohol neu gyffuriau arwain at ymddygiad anghyfrifol gall niweidio enw da ac, o ganlyniad, cynaladwyedd busnes y Cylch Meithrin.

Fe fydd y Cylch Meithrin yn gofyn i unigolion sydd yn cyrraedd y lleoliad o dan ddylanwad amlwg o alcohol neu gyffuriau, neu y tybir ei bod o dan ddylanwad alcohol neu gyffuriau, i adael y lleoliad ar unwaith. **Gweler ATODIAD 1: Arwyddion posib o gamddefnydd alcohol a / neu gyffuriau** am fwy o fanylion.

Fe fydd y Cylch Meithrin yn sicrhau y ni chaniateir y cyflogai i yrru, a bydd yn defnyddio gwasanaeth tacsï i gludo'r cyflogai adref os oes angen.

Yn achos aelodau o staff, fe fydd y Cylch Meithrin yn:

- cynnal ymchwiliad, a gall hyn arwain at gamau disgyblu fel y nodir yn y **Polisi Staffio** a allai arwain at ddiswyddo.
- cysylltu gydag **AGC** i roi gwybod iddynt ynglŷn â'r sefyllfa, fel y disgwylir o dan ffurflen hysbysiad o newidiadau Rheoliad 9.
- diarddel yr unigolyn o'r gwaith tra ddisgwylir canlyniad yr ymchwiliad. Fe fydd rhaid gwneud trefniadau amgen i sicrhau cadw at y lefelau staffio gofynnol yn ystod y cyfnod hwn.
- Rhaid sicrhau bod yr unigolyn yn derbyn tal llawn am gyfnod mor fyr a phosib. Fe fydd cofnod o'r digwyddiad, wedi ei ddyddio, yn cael ei gadw gyda ffeil staff yr aelod o staff.
- gwneud cyfeiriad i'r Gwasanaeth Gwahardd a Datgelu (*DBS*). Gweler Atodiadau 2 a 3 am fwy o fanylion.

Bydd y Cylch Meithrin yn:

- disgwyl i staff, gwirfoddolwyr, a myfyrwyr ar brofiad gwaith gyrraedd y gwaith yn abl i gyflawni eu swydd a'u dyletswyddau yn ddiogel heb unrhyw gyfyngiadau o achos defnydd neu ôl-ffeithiau alcohol neu gyffuriau³. Ni ddylai gweithwyr gyflwyno eu hunain ar gyfer eu gwaith o dan ddylanwad alcohol na chyffuriau, lle mae eu perfformiad neu eu gallu i gyflawni eu dyletswyddau yn ddiogel ac yn gymwys wedi eu heffeithio mewn unrhyw ffordd.

³ Mae'r defnydd o gyffuriau hefyd yn cynnwys y defnydd o gyffuriau neu feddyginiaeth cyfreithlon sydd yn cael yr un effaith a chyffuriau anghyfreithlon.

Code of Practice

Alcohol and Drugs in the Workplace

The misuse of alcohol and drugs can lead to lower levels of attendance, efficiency and general performance in the workplace. Where the member of staff is responsible for making decisions and caring for children, misuse of alcohol and drugs can affect their judgement and increase health and safety risks.

Misuse of alcohol or drugs can lead to irresponsible behaviour which could damage the good name of, and consequently the sustainability of the Cylch Meithrin.

The Cylch Meithrin will ask anyone who is clearly under the influence of alcohol or drugs when they arrive at the setting, or whom they suspect of to be under the influence of alcohol or drugs to leave the premises immediately. **See APPENDIX 1: Possible signs of alcohol and / or drug misuse** for more information.

The Cylch Meithrin will ensure that the employee is not permitted to drive, and will, if necessary, call a taxi to take the employee home.

Where this is a member of staff, the Cylch Meithrin will:

- hold an inquiry, and this could lead to disciplinary procedures as laid out in the **Staffing Policy** which could lead to dismissal.
- contact **CIW** to inform them of the situation, as required by the notification of change form in Regulation 9.
- suspend the individual pending the outcome of the investigation. Alternative arrangements will need to be made to ensure the setting maintains the required staffing ratios during this period.
- ensure that the individual receives full pay for the shortest possible period . A dated record of the incident will be kept with the individual's staff file.
- make a referral to the Disclosure and Barring Service. See Attachments 2 and 3 for more information.

The Cylch Meithrin will:

- expect staff, volunteers, and students on work experience to arrive at work able to fulfil their professional duties safely and without limitations arising from the use or after-effects of alcohol or drugs⁴. Individuals should not present themselves for work while under the influence of alcohol or drugs, where their performance or their ability to fulfil their duties safely and competently are affected in any way.

⁴ The use of drugs also includes the use of legal substances or medications which have the same effect as illegal drugs.

- gwrthod derbyn staff, gwirfoddolwyr, a myfyrwyr ar brofiad gwaith i'r gwaith sydd yn amlwg o dan ddylanwad alcohol neu gyffuriau, a / neu fod eu gallu i weithio wedi'i amharu mewn unrhyw ffordd oherwydd defnydd o alcohol neu gyffuriau.
- disgwyl i staff, gwirfoddolwyr, a myfyrwyr ar brofiad gwaith beidio ag yfed alcohol neu gadw / cymryd cyffuriau anghyfreithlon yn ystod oriau gwaith cytundebol, gan gynnwys yn ystod egwyl cinio ac unrhyw egwyl arall. Gall unrhyw achos o yfed alcohol neu gymryd cyffuriau anghyfreithlon yn ystod oriau gwaith cytundebol arwain at gamau disgyblu fel y nodir yn y **Polisi Staffio** a allai arwain at ddiswyddo.
- gwrthod derbyn staff, gwirfoddolwyr a myfyrwyr ar brofiad gwaith i'r gwaith sydd ag ôl-ffeithiau alcohol neu gyffuriau ar eu corff. Rhaid cofio bod alcohol a chyffuriau yn aros yn y corff am gyfnod wedi eu cymryd, a gall hyn amharu ar allu'r unigolion i gyflawni ei ddyletswyddau'n ddiogel.
- disgwyl i staff, gwirfoddolwyr, a myfyrwyr ar brofiad gwaith ddangos ymddygiad cyfrifol yn y gwaith a digwyddiadau cymdeithasol sy'n gysylltiedig â gwaith.

Os ydych yn cynrychioli'r lleoliad mewn digwyddiadau allanol lle gweinir alcohol fe ddylech ystyried hyn i fod 'yn y gwaith' er waetha'r ffaith fod hyn y tu allan i oriau gwaith arferol. O ganlyniad, bydd disgwyl i chi ymddwyn mewn modd proffesiynol ac yn addas ar gyfer gwaith bob amser.

Mae'r Cylch Meithrin yn gweithredu camau rhesymol i atal cymeriant neu or-gymeriant alcohol gan staff, gwirfoddolwyr a myfyrwyr ar brofiad gwaith. Bydd y Cylch yn gweithredu i ddelio ag unrhyw ymddygiad annerbyniol sy'n deillio o ddefnydd alcohol.

Mae'r Cylch yn diffinio "lefel afresymol" o yfed fel un o'r sefyllfaoedd canlynol:

- bod perfformiad yr unigolyn, yn nhyb y rheolwr, yn ddiffygiol. Gall hwn fod yn is na'r terfyn cyfreithlon ar gyfer gyrru.
- bod ymddygiad yr unigolyn, yn nhyb y rheolwr, yn peri embaras, trallod neu dramgwydd (*embarrassment, distress or offence*) i eraill.
- Mae'r unigolyn yn parhau i yfed ar ôl derbyn cyfarwydd i beidio gan reolwr.

Gall unrhyw ymddygiad o'r fath arwain at gamau disgyblu fel y nodir yn y **Polisi Staffio**.

- refuse to accept staff, volunteers, and students on work experience in the workplace who are clearly under the influence of alcohol or drugs, and / or whose ability to work has been impaired in any way as a result of alcohol or drug use.
- expect staff, volunteers, and students on work experience to not consume alcohol or keep / take illegal drugs during contractual working hours, including during lunch and other break times. Any incident of alcohol consumption or taking illegal drugs during contractual working hours could lead to disciplinary procedures as noted in the **Staffing Policy** which could lead to dismissal.
- refuse to accept staff, volunteers, and students on work experience in the workplace who are suffering from the after-effects of alcohol or drugs on their person. It is important to remember that alcohol and drugs remain in the body for a period of time after they have been consumed, and this could affect the individual's ability to carry out their duties safely.
- expect staff, volunteers, and students on work experience to behave responsibly in the workplace and at work-related social events.

If an individual is representing the setting at an external event where alcohol is served, this should be considered as 'at work' despite the fact that this is outside normal working hours. Consequently, staff are expected to behave in a professional and appropriate manner at all times.

The Cylch Meithrin will take all reasonable steps to prevent consumption or over consumption of alcohol by any member of staff, volunteers, and students on work experience and will take steps to deal with any unacceptable behaviour which arises.

The Cylch Meithrin regards drinking to an "unreasonable level" as any of the following situations:

- In the opinion of management, the individual's performance is impaired. This may be at less than the legal limit stipulated for driving.
- In the opinion of management, the individual's behaviour may cause embarrassment, distress or offence to others.
- The individual continues to drink when instructed to stop by a manager.

Any such behaviour could lead to disciplinary procedures as laid out in the **Staffing Policy**.

Mae'r Cylch Meithrin yn disgwyl i staff, gwirfoddolwyr, a myfyrwyr ar brofiad gwaith gydymffurfio â deddfau yfed a gyrru a deddfau gyrru cyffuriau cyfredol ar bob amser.

Gall euogfarn (*conviction*) am drosedd yfed a gyrru neu gymryd cyffuriau a gyrru niweidio ein henw da ac, os oes angen i chi yrru ar gyfer eich swydd, efallai na fyddwch yn medru parhau yn eich swydd. Os ydych yn cyflawni (*commit*) trosedd yfed a gyrru neu gyffuriau a gyrru wrth weithio i ni, neu y tu hwnt i oriau gwaith, gall hyn arwain at gamau disgyblu fel y nodir yn y **Polisi Staffio** a allai arwain at ddiswyddo.

Fe fydd y Cylch Meithrin yn:

- cysylltu gyda'r **Heddlu** os bydd unigolyn o dan ddylanwad alcohol neu gyffuriau yn cyrraedd y lleoliad mewn car.
- cysylltu gyda'r **Heddlu** os ydynt yn tybio bod unigolyn, boed yn aelod o staff, gwirfoddolwr, myfyriwr ar brofiad gwaith, ymwelydd neu gontractiwr, yn meddu ar gyffuriau anghyfreithlon.
- cysylltu gyda'r **Heddlu** ble tybir bod gweithred anghyfreithlon (e.e. cyflenwi cyffuriau anghyfreithlon) wedi cymryd lle, fel sy'n ofynnol yn **Neddf Camddefnydd Cyffuriau 1971**.

Ble cyfeirir at aelod o staff, fe fydd hyn yn arwain at gamau disgyblu fel y nodir yn y **Polisi Staffio** a allai arwain at ddiswyddo.

Meddyginiaeth

Mae'r Cylch Meithrin yn cydnabod nad ydy pob cyffur a ddefnyddir yn anghyfreithlon, neu wedi'i brynu'n anghyfreithlon. Rydym yn cydnabod bod rhai cyffuriau a geir yn gyfreithlon yn gallu effeithio ar waith a pherfformiad unigolyn, ac nid camddefnydd sydd yn achosi hyn.

Bydd y Cylch Meithrin yn disgwyl i staff, gwirfoddolwyr, a myfyrwyr ar brofiad gwaith sydd yn cymryd meddyginiaeth o'r fath gofyn am gyngor gan eu Meddyg Teuluol neu Fferyllydd am yr effaith posib ar eu gallu i gyflawni eu swydd.

Mae disgwyl i staff, gwirfoddolwyr, a myfyrwyr ar brofiad gwaith sydd yn cymryd unrhyw feddyginiaeth (ar bresgripsiwn neu dros y cownter) a all effeithio ar eu gallu i gyflawni ei swydd i rannu gwybodaeth berthnasol gyda'r **Arweinydd / Rheolwr / Cadeirydd / Person Cofrestredig/ Unigolyn Cyfrifol** yn amserol er mwyn trefnu asesiad risg pwrpasol. Rhaid iddynt ddilyn unrhyw gyfarwyddiadau sydd yn deillio o hyn. Ni ddylid defnyddio unrhyw gyffur sydd yn achosi syrthni (*drowsiness*) yn y gweithle.

The Cylch Meithrin expects staff, volunteers, and students on work experience placements to comply with current drink-driving and drug-driving legislation at all times.

A conviction for a drink-driving offence or for a driving whilst under the influence of drugs offence can harm the good name of the setting, and if driving is part of your job, you may be unable to continue in your role. If you commit a drink-driving or drug-driving offence during or outside of your contracted work hours, this could lead to disciplinary procedures as laid out in the **Staffing Policy** which could lead to dismissal.

The Cylch Meithrin will:

- contact the **Police** if anyone who is under the influence of alcohol or drugs arrives at the setting by car.
- contact the **Police** if they suspect that anyone, including staff, volunteers, students on work experience, visitors or contactors of being in possession of illegal drugs.
- contact the **Police** if they suspect that an illegal activity (e.g. supplying illegal drugs) has taken place, as required by the **Misuse of Drugs Act 1971**.

If they are a member of staff, this will lead to disciplinary procedures as noted in the **Staffing Policy** which could lead to dismissal.

Medication

The Cylch Meithrin acknowledges that not all drugs used are illegal, or obtained illegally. We acknowledge that some drugs which are legally obtained can affect the work and performance of an individual, and that misuse of the drug is not the cause.

The Cylch Meithrin expects staff, volunteers, and students on work experience placements who take such medication to seek advice from their GP or Pharmacist on its possible effect on their ability to fulfil their role.

The Cylch expects any individual who takes medication that might affect their ability to fulfil their role to share relevant information with the **Leader / Manager / Chairperson / Registered Person/ Responsible Individual** in a timely manner so that an appropriate risk assessment can be carried out. Any instructions subsequently given must be followed. Drugs that cause drowsiness must not be used while at work.

Nodi problem

Ni ddylai gweithiwr, gwirfoddolwr neu fyfyrwr ar brofiad gwaith cyflwyno eu hunain ar gyfer gwaith o dan ddylanwad alcohol na chyffuriau, lle mae eu perfformiad neu eu gallu i gyflawni eu dyletswyddau yn ddiogel ac yn gymwys wedi eu heffeithio mewn unrhyw ffordd.

Ni ddylai gweithiwr, gwirfoddolwr neu fyfyrwr ar brofiad gwaith dod â neu ddefnyddio unrhyw alcohol neu sylweddau anghyfreithlon i'r gwaith o dan unrhyw amgylchiadau. Dylai dilyn mesurau rheoli/diogelwch os am ddod â chyffuriau ar bresgripsiwn neu dros y cownter ar dir y Cylch.

Os yw aelod o staff, gwirfoddolwr neu fyfyrwr ar brofiad gwaith yn credu bod ganddynt broblem alcohol neu broblem sy'n gysylltiedig â chyffuriau, disgwylir iddynt geisio cyngor a chymorth arbenigol cyn gynted â phosib.

Ni ddylid gwneud ymdrech i guddio eu gwaith neu ymddygiad os ydynt yn dioddef o ganlyniad i alcohol neu broblem sy'n gysylltiedig â chyffuriau. Anogir staff i ofyn am gymorth drwy'r **Arweinydd / Rheolwr / Cadeirydd / Person Cofrestredig/ Unigolyn Cyfrifol**.

Os yw aelod o staff, gwirfoddolwr neu fyfyrwr ar brofiad gwaith yn sylwi ar newid mewn patrwm ymddygiad cydweithiwr, dylid dwyn hyn i sylw'r **Arweinydd / Rheolwr / Cadeirydd / Person Cofrestredig/ Unigolyn Cyfrifol**, neu ddilyn y drefn a nodwyd yn y **Polisi Chwythu'r Chwiban**.

Cyfrifoldebau'r **Arweinydd / Rheolwr / Cadeirydd / Person Cofrestredig/ Unigolyn Cyfrifol**

Os yw'r **Arweinydd / Rheolwr / Cadeirydd / Person Cofrestredig/ Unigolyn Cyfrifol** yn ystyried fod yna ddirywiad mewn perfformiad gwaith a / neu newid mewn ymddygiad aelod o staff, gwirfoddolwr neu fyfyrwr ar brofiad gwaith oherwydd effeithiau camddefnydd alcohol neu gyffuriau, byddant yn eu gwahodd i gyfarfod i drafod y sefyllfa. Pwrpas y cyfarfod hwn fydd:

- trafod y rheswm dros yr ymchwiliad ac i ofyn am farn yr aelod o staff, gwirfoddolwr neu fyfyrwr ar brofiad gwaith ar, er enghraifft, y dirywiad yn eu perfformiad yn y gwaith ac/neu ymddygiad;
- lle y bo'n briodol, annog yr aelod o staff i ofyn am gymorth gweithiwr iechyd galwedigaethol am gyngor meddygol pwrpasol.
- lle y bo'n briodol, cynnig cyfeirio'r aelod o staff, gwirfoddolwr neu fyfyrwr ar brofiad gwaith at weithiwr iechyd galwedigaethol am gyngor meddygol pwrpasol.

Identifying issues

No member of staff, volunteer or student on work experience should present themselves for work while under the influence of alcohol or drugs, where their performance or their ability to fulfil their duties safely and competently are affected in any way.

No member of staff, volunteer or student on work experience should bring or use any alcohol or illegal substances on Cylch premises under any circumstances. Strict control/safety measures should be followed in relation to any prescribed or over the counter medication on Cylch premises.

If a member of staff, volunteer or student on work experience believe that they are experiencing alcohol or drug related issues, they are expected to seek expert advice and support as soon as is possible.

Colleagues should not try to conceal their work or their behaviour if they are suffering from alcohol or drug related conditions. Staff are encouraged to seek support through the **Leader / Manager / Chairperson / Registered Person/ Responsible Individual**.

If a member of staff, volunteer or student on work experience notices a difference in a colleague's behaviour, they should bring the matter to the attention of the **Leader / Manager / Chairperson / Registered Person / Responsible Individual**, or to follow the procedure laid out in the **Whistleblowing Policy**.

Leader / Manager / Chairperson / Registered Person/ Responsible Individual Responsibilities

If the **Leader / Manager / Chairperson / Registered Person/ Responsible Individual** considers that there is a decline in work performance and/or a change in the behaviour of a member of staff, volunteer or student on work experience as a result of the misuse of alcohol or drugs, they will invite them to a meeting to discuss the situation. The aim of this meeting is to:

- discuss the reason for the investigation, and to seek the staff member's opinion on the reason for, for example, the decline in their performance and/or behaviour;
- where appropriate, encourage the member of staff to seek help from an occupational health professional to receive appropriate medical advice.
- where appropriate, to offer to refer the member of staff to an occupational health professional to receive appropriate medical advice.

Darparu cymorth

Gall problemau sy'n gysylltiedig â chyffuriau ac alcohol ddatblygu am amrywiaeth o resymau a dros gyfnod sylweddol o amser. Mae'r Cylch Meithrin yn ymrwymo, i'r graddau posib, i drin y problemau hyn mewn modd tebyg i faterion iechyd eraill. Byddwn yn darparu cymorth lle bo hynny'n bosibl, gyda'r bwriad o ddychwelyd yr aelod staff i'w dyletswyddau llawn.

Gall hyn gynnwys:

- cyfeirio at ddarparwyr triniaeth briodol, lle bo angen, ar y cyd â'r meddyg teulu.
- caniatáu amser o'r gwaith i fynychu triniaeth.
- addasu dyletswyddau neu gynnig cymorth arall yn ystod triniaeth ac am gyfnod y cytunwyd arno wedi hynny, yn amodol ar ofynion gweithredol ac ymarferoldeb o fewn gofynion y swydd.

Os nad yw aelod o staff yn gorffen rhaglen o driniaeth a'i bod yn dychwelyd i weithio heb fod yn barod i wneud hynny bydd yr **Arweinydd / Rheolwr / Cadeirydd / Person Cofrestredig/ Unigolyn Cyfrifol** yn cyfarfod gyda'r unigolyn i benderfynu pa gamau pellach, os o gwbl, y dylai eu cymryd.

Cyfrinachedd

Nod y Cylch Meithrin yw sicrhau y cynhelir cyfrinachedd unrhyw aelod o staff, gwirfoddolwr neu fyfyrwr ar brofiad gwaith sy'n profi problemau sy'n gysylltiedig â chyffuriau neu alcohol yn briodol.

Fodd bynnag, rhaid cydnabod, wrth gefnogi staff, gwirfoddolwr neu fyfyrwr ar brofiad gwaith, fod rhywfaint o rannu gwybodaeth yn debygol o fod yn angenrheidiol. Fel rheol, fe fydd y Cylch Meithrin yn gofyn am ganiatâd yr unigolyn cyn datgelu unrhyw wybodaeth gyfrinachol. Fe fydd y Cylch Meithrin yn dilyn canllawiau'r **Polisi Cyfrinachedd a Diogelu Data** mewn achosion o'r fath.

Os yw aelod o staff, gwirfoddolwr neu fyfyrwr ar brofiad gwaith yn gofyn am gymorth gyda phroblem alcohol neu gyffuriau yn uniongyrchol gan **ei Rheolwr Llinell / Pwyllgor y Cylch** ac yn dymuno cadw pethau'n gyfrinachol rhag eu cydweithwyr, byddwn yn parchu hyn oni bai bod rheswm i gredu y gallai hyn ei rhoi nhw, eu cydweithwyr, unrhyw un arall, neu'r busnes mewn perygl neu risg. Yn yr amgylchiadau hyn bydd **y Rheolwr Llinell / Pwyllgor y Cylch** yn eu hannog i roi gwybod i'r cydweithwyr a byddant yn rhoi digon o amser i wneud hynny cyn trafod y mater gyda hwy.

Providing support

Issues associated with drugs and alcohol can develop for a variety of reasons, and over a substantial period of time. The Cylch Meithrin is committed to treating these issues in a similar fashion to other health issues. Where possible, the Cylch will provide support, with the aim of enabling staff to return to their full responsibilities.

This could include:

- signposting to appropriate treatment providers, where appropriate, in partnership with the GP.
- allowing time to attend appointments.
- adapting responsibilities or providing alternative support during treatment and for an agreed period of time following treatment, dependent on the operational requirements and practicalities of doing so within the job requirements.

If a member of staff, volunteer or student on work experience does not complete a treatment programme and returns to work before they are ready to do so, the **Leader / Manager / Chairperson / Registered Person/ Responsible Individual** will meet with the individual to decide what, if any, further steps should be taken.

Failure to accept help or continue with treatment will render the employee liable to normal disciplinary procedures.

Confidentiality

The aim of the Cylch Meithrin is to ensure that the confidentiality of any member of staff experiencing alcohol or drug related issues is maintained.

However, it must be acknowledge that in supporting staff, volunteer or student on work experience, sharing some information is likely to be essential. As a rule, the Cylch Meithrin will seek an individual's permission before disclosing any confidential information. The Cylch Meithrin will follow the guidelines of the **Confidentiality and Data Protection Policy** on such occasions.

If a member of staff, volunteer or student on work experience seeks support for alcohol or drug related issues directly from you **Line Manager / Cylch Committee** and wishes to keep this secret from their colleagues, we will respect their wishes unless there is reason to believe that this would put them, their colleagues, anyone else, or the business in danger. In these circumstances, the **Line Manager / Cylch Committee** will encourage them to inform their colleagues and will give you sufficient time to do so before discussing the matter with them.

Diogelu Plant

Mae gan y Cylch Meithrin dyletswydd dros y plant o dan ein gofal. I'r perwyl hwn, fe fydd y Cylch Meithrin yn gofyn i unigolion sydd yn cyrraedd y lleoliad o dan ddylanwad amlwg o alcohol neu gyffuriau i adael y lleoliad.

Ble barnir nad ydy rhiant/gofalwr/gwarchodwr yn medru gofalu am blentyn oherwydd eu bod o dan ddylanwad alcohol neu gyffuriau, fe fydd y Cylch Meithrin yn cysylltu gydag un o'r cysylltiadau argyfwng y darparwyd gan y rhieni ar y ffurflen **P1**.

Fe fydd **Staff / Arweinydd** y Cylch Meithrin yn ymdrechu, hyd eithaf eu gallu, i sicrhau nad ydy plentyn yn teithio mewn cerbyd a yrrir gan unigolyn tybir i fod o dan ddylanwad alcohol neu gyffuriau.

Os nad yw hyn yn bosib, rhaid cofio nad oes hawl gyfreithiol i gadw plentyn rhag ei rhiant / gofalwr / gwarchodwr. Ble barnir bod y plentyn mewn perygl, neu fod pryder am les y plentyn, fe fydd y Cylch Meithrin yn dilyn y canllawiau a nodir yn y **Polisi Amddiffyn Plant**.

- cysylltu gyda'r **Heddlu** ble tybir bod gweithred anghyfreithlon (e.e. cyflenwi cyffuriau anghyfreithlon) wedi cymryd lle, fel sy'n ofynnol yn **Neddf Camddefnydd Cyffuriau 1971**.
- cysylltu gyda **Gwasanaethau Cymdeithasol** i nodi pryder am ddiogelwch y plentyn.
